

BC Mining HR Task Force: Diversity Women Committee partners with the Canadian Centre for Women in Science, Engineering, Trades and Technology (WinSETT Centre) to deliver two complimentary pilot workshops

Career Development: Becoming Leaders Workshop

An introduction to leadership skills and strategies for female engineers, geoscientists, technologists and tradespeople in BC's mineral exploration & mining sector.

Date: Monday, June 9th, 2014

Time: 8:00 am – 4:30 pm

Location: SFU Harbour Centre,
Joseph & Rosalie Segal Centre

This one-day event combines presentation of information, sharing of experiences of leaders in the mineral exploration and mining sector, and the active engagement of participants in exercises and discussion to:

- Increase awareness of factors that influence career and leadership success
- Gain confidence in making career and leadership development choices
- Share and acquire useful tips and strategies
- Develop a preliminary action plan to advance personal leadership potential
- Network with other women with a variety of experiences in the sector

Diversity Awareness for Managers & Senior Leaders Workshop

A workshop on creating gender-inclusive workplaces to attract and retain technical talent.

Date: Tuesday, June 10th, 2014

Time: 8:00 am – 1:30 pm

Location: SFU Harbour Centre,
Joseph & Rosalie Segal Centre

A half-day workshop designed for managers, supervisors, team leads and executive team members in BC's mineral exploration and mining sector providing practical tools and strategies to attract, recruit and retain a diversity of talent to enhance the growth of your organization. In this workshop, participants will:

- Increase awareness of the factors that influence the success of women in their organizations
- Assess current workplace conditions for women
- Share effective strategies to attract, retain, and advance talented women
- Share effective tools to measure success
- Network with other managers and senior leaders

Space for pilot workshops is limited; deadline for registrations is May 23rd, 2013
